

\$5

# JACKPOT CASH

PRIZES START  
AT \$10!

TOP PRIZE  
\$50,000!

Gently scratch the dollar signs and squares to find the 4 cash numbers, your 20 numbers and prize amounts. To win a prize, you must match any of your numbers to the cash numbers. If you find a "🍒" you win and get to multiply that prize by 3, no matching needed.
