

Memo

Date:	December 12, 2024
To:	Oregon State Lottery Commissioners
From:	Kris Skaro, rules and policy analyst
Subject:	Motion to Adopt Rule Changes (prize claims and payment; housekeeping)

Background:

At the October Commission meeting, Lottery presented rule changes relating to the prize claim and payment process. As a reminder, here is an overview of the changes:

- Requiring winners to show their ID when they claim a prize at the Lottery.
- Imposing new restrictions that apply when a single prize is claimed by more than one person.
- Clarifying prize payment methods and Lottery's authority to determine payment method.
- Various housekeeping changes that are not substantive in nature.

A one-page summary of the changes is also enclosed for reference.

Rulemaking Process and Public Comment:

The Lottery filed notice of the proposed rule change on October 25, 2024, with the Oregon Secretary of State and notified interested parties, media contacts, and certain legislators. The Lottery provided more than four weeks for the public to comment in writing and held a virtual public hearing. The Lottery did not receive any public comment for you to consider.

One Change to the Draft Rules:

At the October Commission meeting, Commissioner Weller asked if the "tenants in common" language in our rules was consistent with the new requirement that each claimant takes an equal share of the prize. After review, we removed the "tenants in common" language and, instead, clarified that joint owners "each hold independent and equal shares" in the ticket, share, or cash slip. For reference, this change is highlighted yellow in the enclosed rules. That is the only change to the rules from what was presented to you in October.

Enclosures and Director's Recommendation:

A one-page summary of the changes, the Rulemaking Report, and the draft Permanent Administrative Order are enclosed. Director Wells has reviewed the rules and recommends the Commission adopt the rules as presented to be effective on March 1, 2025. (Note that the effective date of the rules is being pushed to March 2025 to allow Lottery to communicate the new ID requirement to players.)

Thank you, and please reach out to me or Director Wells if you have any questions.

One-Page Summary of Rule Changes

ID for Prize Claims: The proposed rules require that prize winners provide government-issued photo identification when they claim a prize. Lottery has always requested ID from in-person claimants, but the requirement is not in rule and it hasn't applied to mailed in or drop-box claims. The proposed rules:

- Require in-person claimants to provide government issued photo ID.
- For mail or drop-box claims, require claimants to provide a photocopy of their ID with their claim form.
- Allow Lottery to make exceptions if these requirements impose a hardship on a claimant.

These changes bring Lottery in line with many other state lotteries as well as other Oregon state agencies that require customers to provide ID such as the Oregon Employment Department and the Oregon Department of Human Services.

Multiple Claimants: Lottery's rules allow a prize to be claimed by more than one person. Lottery is proposing new requirements to clarify and streamline the multiple claimant process:

- Clarify signature requirements.
- Require each claimant to take an equal share of the prize unless an exception is approved.
- Require each claimant to a jackpot prize to choose the same payment option (cash or annuity) unless an exception is approved.
- Prohibit adding or changing the claimants to a claim after the claim is presented to the Lottery unless an exception is approved.
- Clarify that, unless directed by a court order, Lottery only pays prizes to the prize owners or claimants. (For example, Lottery will not pay part of a prize to a family member as a gift.)

Prize Payment: The proposed rules clarify Lottery's authority to determine the prize payment method; state that Lottery does not pay prizes in cash (per current practice); and allow payment cards to be used for amounts over \$20,000.

Housekeeping: Lottery is proposing housekeeping updates to ensure accuracy. These are not substantive. Examples include:

- Updating the definition of the "Player Services Office."
- Clarifying that Lottery recommends using certified mail (rather than registered) to mail in a prize claim to the Lottery.
- Referencing the "beneficiary designation form," which is the form used to determine who to pay a remaining annuity prize after the prize winner's death (per current practices and state law).
- Expanding state of emergency language to cover emergencies other than COVID-19.

To see rule text showing changes, see the enclosed draft Permanent Administrative Order, which shows the text of each rule being amended in tracked changes.

177-046-0100

Ownership of Lottery Tickets and Shares

RULE SUMMARY: The Lottery is amending OAR 177-046-0100 about ownership of Lottery tickets and shares. As stated in the Notice of Proposed Rulemaking filed with the Oregon Secretary of State on October 25, 2024, Lottery is deleting language about individuals specifying the percentage of ownership each holds in the ticket or share. This is being deleted because it is not consistent with the changes being made to the joint prize claim process in OAR 177-046-0110; specifically, the change to require, unless an exception is approved, each claimant to take an equal share of the prize.

Additionally, during the public rulemaking process, a question was asked whether the "tenants in common" language is consistent with the new equal share requirement in OAR 177-046-0110. While the language is not necessarily inconsistent, "tenants in common" is outdated language and, therefore, to clarify the rule and ensure consistency with the changes in OAR 177-046-0110, Lottery is clarifying the legal status of joint owners as those who "each hold individual and equal shares of ownership in the ticket or share." (For more information, see Lottery's Notice of Proposed Rulemaking filed on October 25, 2024, proposing new requirements that will apply whenever a single prize is claimed jointly by more than one person, and also the changes to OAR 177-046-0110 summarized later in this Order.)

RULE TEXT:

- (1) Bearer Instrument: Except for a Lottery ticket or share claimed jointly in accordance with the provisions of [OAR 177-046-0110\(5\)](#), until such time as a name of an individual or individuals is placed upon a physical Lottery ticket or share, the ticket or share is a bearer instrument and is owned by the bearer of the ticket or share. When a name or names is placed on the ticket or share, the ticket or share ceases to be a bearer instrument and the individual whose name appears on the ticket or share is the owner of the ticket or share. Only a natural person at or above the age of game eligibility may own a ticket or share and claim a prize.
- (2) Multiple Names: Multiple individuals at or above the age of game eligibility may jointly own, possess, and claim a prize as owners of a winning ticket or share as provided in [OAR 177-046-0110\(5\)](#). Multiple individuals each hold individual and equal shares of ownership in the ticket or share as tenants in common. Multiple individuals may specify the percentage of ownership each person holds. Each person must hold \$1.00 of the prize at a minimum.

(3) Notwithstanding sections (1) and (2) of this rule:

- (a) Second Chance Drawing: Only one natural person can claim ownership of a non-winning ticket or share used to enter a second chance drawing. Non-winning tickets submitted and accepted as a valid entry in a Lottery second chance drawing cannot be jointly owned. Only the person who claims ownership may submit the non-winning ticket as an entry to a second chance drawing and only that person may claim the prize if the person's entry is selected as a winning entry in a second chance drawing.
- (b) In the DraftKings Sportsbook, only the registrant of the player account can claim ownership of a prize on a winning bet purchased through the player account.
- (c) Win for Life: Only one natural person can claim ownership of the Top Prize in Win for Life as described in [OAR 177-094-0080](#).

177-046-0110

Payment of Prizes

RULE SUMMARY: The Lottery is amending OAR 177-046-0110 about payment of prizes. The changes include: requiring photo identification to be provided when claiming a prize through the Lottery; clarifying Lottery's recommended method of mailing claims to the Lottery; expanding Lottery's authority to limit prize claiming methods during a state of emergency to apply to any state of emergency, not just COVID-19; updating prize payment authority and methods; imposing new requirements that apply whenever one prize is owned and claimed by more than one person; and making other non-substantive housekeeping updates.

RULE TEXT:

- (1) General Provisions for Claiming Prizes; Determining the Validity of Claims; and Paying Claims:
 - (a) All winning Lottery tickets or shares may be presented to the Oregon State Lottery for payment or, if permitted by the applicable game rule, some winning tickets or shares for prizes of \$600 or less may also be presented for payment to the appropriate Lottery retailer.
 - (b) Timing and Deadline for Submitting a Claim: Any winning draw game ticket of \$50,000 and over is not eligible for prize payment until the next Lottery business day after it is issued. Whether a claim for a prize is submitted to a retailer or to the Lottery by mail, private express carrier, secure drop box, or by an individual personally presenting the

claim, the winning ticket or share (including the completed claim form, if applicable) must be received by the retailer or the Lottery within one-year after the drawing results become official (for draw games) or one year after the end of the lottery game in which the prize was won, unless a different time period is specified by the Lottery in the rules for a particular game or promotion. If the final day of the one-year claim period falls on a day when the Lottery is not processing prize claims, such as a weekend, Lottery holiday, furlough closure day, or unforeseen circumstances, the claim period shall be extended until 5:00 p.m. on the next day the Lottery is processing prize claims.

- (c) Failure of Delivery: The claimant of a prize bears all risk associated with the method chosen to submit a claim, the timeliness of the claim submission and, in the case of submission by mail, private express carrier, or secure drop box, failure of the claim to be received by the Lottery or a retailer.
- (d) If the Director determines that the ticket or share is invalid, or a non-winning ticket or share, or the claim is invalid, the Director shall deny the claim and the Lottery will notify the claimant. An invalid ticket or share will not be returned to the claimant and is not eligible for any second chance or promotional drawing. A non-winning ticket will only be returned to the claimant if the claimant provides return postage and a self-addressed envelope or mailing container in which to return the ticket.
- (e) Conflicting Information or Discrepancies: If there is conflicting information or discrepancies including, but not limited to, between the name or names on a winning Lottery ticket or share and the name or names on a claim form, the Lottery may withhold prize payment until the conflicting information has been resolved to the Director's satisfaction. Discrepancies include, but are not limited to, names or addresses scratched out or erased or unreadable or altered names or addresses.
- (f) Investigations: At the discretion of the Director or Assistant Director for Security, the Lottery may conduct an investigation to aid in the determination of the rightful owners prior to payment of any prize. An investigation may be conducted under circumstances including, for example, but not limited to, ~~when there are~~ multiple signatures on a ticket or share or a signature that appears altered or forged.
- (g) Determinations: The Director's decisions regarding the determination of a winning Lottery ticket or share, or the determination of the rightful owner or owners of a prize, or of any other dispute or matter arising from payment or awarding of prizes are final and binding on all parties claiming an ownership interest in a prize.
- (h) Payment Decisions: The Director shall make the final decision on whether any prize is paid or any annual prize payment is made. All prizes shall be paid within a reasonable time after they are validated, unless the Director delays a prize payment. The Director may, at any time, delay any prize payment in order to review the validity of a prize claim, or review a change of circumstances relative to the prize awarded, the payee, or the claim, or review any other relevant matter that may come to the Director's attention. Except as set forth in [OAR 177-098-0060](#), for any prize requiring annual payments, all payments after the first payment shall be made on the anniversary date of the first payment in accordance with the type of prize awarded. Any delayed annual

payment will be brought up to date immediately when payment is authorized by the Director.

- (i) Social Security Numbers or Individual Taxpayer Identification Numbers (ITIN): Each United States resident or nonresident who is to receive a payment of winnings greater than \$600 shall furnish to the Lottery the information required on the Internal Revenue Service Form W-2G (or any other form required by the IRS,) including but not limited to the winner's name, address, and social security number or ITIN. This disclosure is mandatory and the authority for such disclosure is 42 USC 405(c)(2)(C), 26 CFR 31.3402(q)-1(e), [ORS 461.715\(1\)\(a\)](#), and [461.719\(2\)\(a\)](#). A winner's social security number or ITIN will be used for the purpose of identifying child support or public assistance overpayment obligors and payments owed and to administer state and federal tax laws, including collection of tax.
 - (j) Deductions from Prize Amount Paid: When a prize claim is submitted or claimed digitally through a player account, the Lottery will reduce the amount of the prize actually paid to the winner by any amounts required by law to be withheld from payment, including without limitation applicable tax withholding, a writ of garnishment or other legal attachment, child support, or other obligations owed to the State of Oregon. A winner will not be entitled to the full prize amount in such cases and the amounts withheld will be transferred or retained by the Lottery as required by law.
- (2) Retailer Validation and Payment of Prizes: To determine whether a physical Lottery ticket or share presented for payment entitles the holder to a prize, a retailer must validate the claim with the Lottery by scanning the bar code or manually entering the bar code number printed on each Lottery ticket or share into equipment provided by the Lottery, and, if authorized by the Lottery, pay the holder the prize amount due.
- (a) Retailer Payment: Unless the prize has multiple owners, a retailer is authorized to pay a prize of \$600 or less and shall pay that prize in cash or check, or any combination thereof.
 - (b) Dishonored Check: If a retailer's prize payment check is dishonored, the payee of the check may seek payment from the Lottery by presenting a copy of the dishonored check at Lottery Headquarters or a Lottery Branch during Lottery business hours, or by mailing a copy of the dishonored check with a winner claim form to the Lottery Mailing Address. If the Lottery determines that payment of the prize is authorized, the retailer has not paid the prize, and it is unlikely that the retailer will pay the prize, the Lottery may then issue a check to the payee of the dishonored check in the amount of the prize due. The Lottery may require submission of the original check issued by the retailer prior to making payment to the payee.
 - (c) Retailer Sanction: A retailer that pays a prize with a check that is dishonored may be subject to termination of its Lottery Retailer Contract.
- (3) Submission of Prize Claim to Lottery: The holder of a winning ticket or share may claim a prize by submitting the winning ticket or share using one of the methods described in this section, unless a different method is provided for claiming a Highest Prize in the specific rules for the game

from which the Highest Prize is derived. A winner claim form may be obtained from any Lottery retailer, from the Lottery Headquarters or a Lottery Branch, or may be downloaded from the Lottery's website.

(a) Presenting Claim at Lottery Headquarters or Lottery Branch:

(A) Except as provided in subsections (d) and (e) of this section, a claimant may bring and present a ticket or share at Lottery Headquarters or a Lottery Branch during Lottery business hours, unless the ticket or share, or a Lottery rule, specifies that the ticket or share may only be presented at Lottery Headquarters. (B) Except as otherwise provided in this paragraph, when presenting a claim to the Lottery, including a Video Lottery cash slip claimed pursuant to OAR 177-200-0020, the claimant must provide government-issued photo identification that is acceptable to the Lottery.

(AB) A claimant may present a claim by mail or private express carrier by signing the ticket or share, writing the claimant's mailing address on the ticket or share, completing a winner claim form, attaching a photocopy of their government-issued photo identification, and mailing it together with the winning ticket or share to the Lottery Mailing Address. The Lottery is not responsible for any electronic transmission failures or errors. An electronic winner claim form must include the winner's electronic signature that meets the requirements specified by the Lottery on the instructions for the winner claim form.

- ~~(d) Unless an exception is approved by the director or the director's designee, each owner of a ticket for the top prize in Megabucks, Powerball, or Mega Millions must select the same payment option, either single lump sum or annuity.~~

No cash payments will be made to multiple owners. However, the Director reserves the right to issue a single prize payment to an owner whose name appears on the ticket or share instead of multiple prize payments to the owners of the ticket or share if the value of each separate prize share would be less than \$50 or if the number of owners claiming a share of the prize exceeds 100 people. Lottery retailers are not authorized to pay multiple owners who share a single winning prize.~~
- (6) Second Chance Drawing Prize: Sections (5) and (7) of this rule are not applicable to a prize claim from a second chance drawing. Prizes awarded by the Lottery from second chance drawings must be claimed in accordance with the provisions of [OAR 177-052-0060](#) and only the person who submitted the winning entry in a second chance drawing may claim and be paid the prize.
- (7) Power of Attorney.
- (a) General: The owner of a winning ticket or share may designate in a written power of attorney an agent to act on the owner's behalf and to receive a prize payment on behalf of the owner. The Director shall confirm both the written authorization and the agent. An owner is encouraged to select a bonded agent. The Director may pay a prize to an agent for the owner of a winning ticket or share only if the Director determines that the agent has presented a valid power of attorney under Oregon law authorizing the Lottery to disburse a winning prize amount to the agent on behalf of the owner named on the winning ticket or share. The Director may require that any power of attorney submitted to the Lottery be in a form prescribed by the Lottery. The Director will accept a power of attorney for a winning ticket or share only when there is a single owner of the ticket or share. The owner of the ticket or share for whom a claim is submitted under a power of

attorney must be a natural person over the age prescribed in the applicable game rules and be otherwise eligible to play Lottery games and claim a Lottery prize.

- (b) Method of Payment: The Lottery will not disburse cash to an agent for a winner. The Lottery will disburse payment to the designated agent for a ticket owner only by check, payment ~~card-device~~, or other method payable to the named owner of the ticket or share, not to the name of the agent.
- (c) Power of Attorney Form: A power of attorney submitted to the Lottery must, at a minimum: (i) be in written form, (ii) specify the name, address and telephone number of the owner of the ticket or share; (iii) be dated with a date that is later than the determination of the winner for the game in which a winning prize is being claimed, (iv) specifically identify the winning prize and the game won, (v) specify the name, address and telephone number of the agent who is authorized to claim the prize for the owner; and (vi) clearly state that the agent may complete a claim form and sign the ticket or share in the name of the owner and receive payment of the prize for the owner. The Director, in his or her discretion, may also accept a general power of attorney form for a disabled or incompetent player if the Director determines that the general power of attorney is valid under Oregon law and that payment to the agent of a Lottery prize is within the authority conferred upon the agent under the general power of attorney.
- (d) Identification of Owner: The Director may confirm to the Director's satisfaction that the agent is authorized to claim a prize on behalf of the owner of a winning ticket or share. The Director may attempt to verify or contact the owner of a winning ticket or share that is being claimed by an agent. The Director may request copies of additional documentation to establish the identity of the owner and the validity of the power of attorney including, without limitation, a driver's license, passport or similar identification and documents pertaining to the identity and signature of the owner in order to verify the validity of the power of attorney.
- (e) Appearance: An agent may not present a winning ticket or share through the mail or by private express carrier, but must physically present the winning ticket or share with the power of attorney and any supporting documentation at the Lottery Headquarters to claim the prize payment on behalf of the owner. Subsequent to receipt of acceptable identification, along with a completed claim form from the agent, and the Director's review and approval of the power of attorney and other supporting documentation required by this rule or requested by the Director, the agent, in the presence of a duly authorized Lottery official, shall sign the owner's name on the winning Lottery ticket or share in the place indicated on the ticket or share and immediately return it to the Lottery. The Director shall then disburse payment as provided in these rules.
- (f) Discharge of Lottery from Liability: The owners of lottery tickets or shares are responsible for safeguarding their tickets or shares and assume the risk of an agent with apparent authority from the owner presenting a claim for payment from the Lottery on behalf of the owner. The State of Oregon, its agents, officers, employees, and representatives, including but not limited to, the Oregon Lottery, its Director, agents, officers, employees, and representatives, are discharged of all liability upon payment to an apparent agent for the owner of a winning ticket or share in accordance with this

rule. The Lottery is not responsible in any way for the fulfillment or completion of any agreement or power of attorney between the owner and the agent. The Director's decisions regarding the determination that a Lottery ticket or share is, or is not, a winning ticket or share or any question or dispute arising from the payment of such a prize is final and binding on all parties. In the event a question or issue arises regarding payment of a prize through an agent, the Director may withhold payment until the question or issue is resolved. The Lottery, the owner or the purported agent may petition a court of competent jurisdiction for judicial resolution of the matter.

- (g) This section does not apply to the DraftKings Sportsbook digital sports betting game. Prizes in the DraftKings Sportsbook may not be claimed through a power of attorney; provided, however, moneys may be withdrawn from a player account through a power of attorney, if the form of power of attorney is approved and given effect by Lottery.
- (8) Validation and Payment of Lost, Damaged or Destroyed Tickets or Shares: If a player of a game cannot submit an intact winning ticket or share because a retailer lost, damaged, or destroyed the ticket or share while attempting to perform validation procedures on the game ticket or share, or because the ticket or share was otherwise damaged so that it cannot be validated through the Lottery's central computer system or because it is otherwise unreadable, a prize claim based on such lost, damaged, or destroyed ticket or share may still be validated provided the claim is made before the end of the applicable claim period. For purposes of this rule, a ticket or share is unreadable if there is insufficient information remaining on the ticket or share for the Lottery's Security Section to reconstruct and validate the ticket or share.
 - (a) Player Form and Affidavit: To claim a prize based on a lost, damaged, or destroyed ticket or share, the player must obtain, complete, and sign a winner claim form and a claim affidavit furnished by the Lottery. The player shall submit the two completed forms along with any other evidence of the validation attempt that is in the player's possession (including, but not limited to, any slips, receipts or other evidence of play produced by the terminal at the time of the validation attempt) to the Lottery either by mail to the Lottery Mailing Address (registered mail recommended) or in person at the Lottery Headquarters or a Lottery Branch during Lottery business hours.
 - (b) Evidence: The evidence submitted by the claimant must corroborate any validation attempt of the ticket or share by a retailer including, but not limited to, identification of the Lottery game retailer or clerk who attempted to validate the prize, the time and date of the validation attempt, the ticket or share validation number, the terminal number, and the prize amount.
 - (c) Investigation: The Assistant Director for Security will conduct an investigation to determine if the claim and winning game ticket or share are valid.
 - (d) Retailer Affidavit: A retailer who is the subject of an investigation conducted under this section must complete and provide to the Lottery a retailer affidavit form explaining the events in question.
 - (e) Director's Determination: Based upon all the facts and information available, the Director shall determine whether prize payment is warranted and authorized.

- (f) **Payment of Prize:** Upon the Director's determination that the ticket or share submitted under this section is a valid, winning ticket or share, and that the player is the proper person to whom a prize is payable, the Lottery shall present or mail a check to the claimant in the amount of the prize due to the claimant.
- (g) **Restriction of Payment:** Payment of claims submitted under this section is restricted to the prize amount. A winner is not entitled to lost interest earnings or any other form of damages due to a delay in a payment of a prize while the validation process described in this rule is completed.
- (h) **Retailer Sanctions:** The Director may sanction a Lottery game retailer for the loss, damage or destruction of a winning ticket or share including, but not limited to imposing, a requirement for training for the retailer or the retailer's employees, and any other actions that the Lottery may take in response to a retailer's failure to perform contract duties or requirements as described in the Lottery retailer contract.
- (i) **Notification of Denial:** If the Director determines that the ticket or share is invalid, or a non-winning ticket or share, or the claim is invalid, the Director shall deny the claim and notify the claimant. An invalid ticket or share will not be returned to the claimant and is not eligible for any second chance or promotional drawing. A non-winning ticket or share will be returned to the claimant if the claimant provides return postage and a self-addressed envelope or mailing container in which to return the ticket or share. If a claim is denied, the Director may, in his or her discretion, provide the claimant with one or more replacement tickets as provided by [OAR 177-046-0160](#).

The Director may rely on the presentment of certified copies of the court's appointment of a personal representative, the death certificate for the deceased prize winner, or other evidence of person(s) entitled to payment of the decedent's prize winnings and may make payment to the estate of the deceased winner once the Director is satisfied that such payment is lawful and proper.

- (2) Release Form: For a deceased prize winner, the personal representative of the winner's estate, or all the parties listed on a beneficiary designation form if one is on file, must sign the Lottery's release form before payment of the prize or any remaining portions of the prize.

- (4) Any amounts held in a player account upon the death of a player may be withdrawn by the estate of the player, a trust established by the player or other heirs or devisees of the player, in accord with the procedures established by the entity holding the account for the withdrawal of amounts held in the account of a decedent.

RULE SUMMARY: The Lottery is amending OAR 177-075-0027 about the annuity conversion option for the Megabucks Grand prize. The change says that unless an exception is approved, when a Megabucks Grand prize is claimed by more than one person, each person must choose the same payment option: cash or annuity. This change aligns with the change to OAR 177-046-0110(5) described in the Notice filed on October 25, 2024, and in this Order that requires that persons who are jointly claiming a jackpot prize must choose the same payment option: cash or annuity.

RULE TEXT:

- (1) General: Except as provided otherwise in section (6) of this rule, Aa Grand prize winner has the option of receiving the advertised Grand prize in a single lump sum payment consisting of one-half of the advertised Grand prize or of receiving the full value of the Grand prize paid out in equal annual installments over a period of 30 years.

Powerball Prize Payment

RULE SUMMARY: The Lottery is amending OAR 177-085-0035 about Powerball prize payment. The change says that unless an exception is approved, when a Powerball Grand Prize is claimed by more

than one person, each person must choose the same payment option: cash or annuity. This change aligns with the change to OAR 177-046-0110(5) described in the Notice filed on October 25, 2024, and in this Order that requires that persons who are jointly claiming a jackpot prize must choose the same payment option: cash or annuity.

RULE TEXT:

- (1) Selection of Payment Type: Except as provided otherwise in section (2) of this rule, the Grand Prizes shall be paid, at the election of the player made no later than 60 days after validation of the prize, with either a per-winner annuity or single lump sum payment. If the payment election is not made by the player within 60 days after validation, then the prize shall be paid as an annuity prize. The election to take the single lump sum payment may be made at the time of validation of the prize claim or within 60 days thereafter. An election made after validation is final and cannot be revoked, withdrawn, or otherwise changed.
- (2) Multiple Claimants: Unless an exception is approved, when a Grand Prize is claimed jointly in accordance with OAR 177-046-0110(5), each claimant must select the same payment option, either single lump sum or annuity.
- ~~(23)~~ Share of the Grand Prize: Shares of the Grand Prize shall be determined by dividing the amount available in the Grand Prize Pool Account equally among all tickets with winning game plays of the Grand Prize.
- ~~(34)~~ Lump Sum Payment: Winner(s) who elect a lump sum payment shall be paid their share(s) in a single lump sum payment.
- ~~(45)~~ Annuity Payment: The annuitized option prize shall be determined by multiplying a winner's share of the Grand Prize Pool Account by a process as approved by the MUSL Board. Neither MUSL nor the Party Lotteries or the Licensee Lotteries shall be responsible or liable for changes in the advertised or estimated annuity prize amount and the actual amount purchased after the prize payment method is actually known to MUSL. In certain instances announced by the Product Group, the Grand Prize shall be a guaranteed amount and shall be determined pursuant to section ~~(112)~~ of this rule. If individual shares of the Grand Prize Pool Account funds held to fund an annuity are less than \$250,000.00, the Product Group, in its sole discretion, may elect to pay the winners their share of the amount held in the Grand Prize Pool Account.
- ~~(56)~~ Initial and Annual Payments: Except as may be controlled by statute, all annuitized prizes shall be paid annually in thirty payments with the initial payment being made directly with available funds, to be followed by twenty-nine payments funded by the annuity. All annuitized prizes shall be paid annually in thirty graduated payments (increasing each year) by a rate as determined by the Product Group. Prize payments may be rounded down to the nearest \$1,000. Annual payments after the initial payment shall be made by the lottery on the anniversary date of the first payment or if such date falls on a non-business day, then the first business day following the anniversary date of the first payment. Funds for the initial payment of an annuitized prize or the lump sum payment prize shall be made available by MUSL for payment by the Selling Lottery no earlier than the 15th calendar day (or the next banking day if the fifteenth day is a holiday) following the drawing.

- (67) Lack of Available Funds: If necessary, when the due date for the payment of a prize occurs before the receipt of sufficient funds in the prize pool trust to pay the prize, then the transfer of funds for the payment of the full lump sum payment amount may be delayed pending receipt of funds from the Selling Lotteries. The Lottery may elect to make the initial payment from its own funds after validation, with notice to MUSL.
- (78) Death of Winner: In the event of the death of a lottery winner during the annuity payment period, unless prohibited by state law, the MUSL Finance and Audit Committee, in its sole discretion excepting a discretionary review by the Product Group, upon the petition of the estate of the lottery winner (the "Estate") or the persons identified on the winner's Beneficiary Designation form (BDF), whichever is applicable, to the state lottery of the state in which the deceased lottery winner purchased the winning ticket, and subject to applicable federal, state, or district laws, may make payment to the Estate or the designated beneficiary of the discounted present value of the remaining annuitized prize payments. If a determination is made, then securities and/or amounts held to fund the deceased lottery winner's annuitized prize may be distributed to the Estate or the persons on the BDF. The identification of the securities, if any, to fund the annuitized prize is at the sole discretion of the MUSL Finance and Audit Committee or the Product Group.
- (89) Low-Tier Prizes: All prizes are paid directly through the Lottery that sold the winning ticket, and at the discretion of the Selling Lottery may be paid by cash, check, warrant, or electronic transfer. The Lottery may begin paying low-tier prizes after receiving authorization to pay from the MUSL central office.
- (910) Rounding of Powerball® Grand Prize Payments: Annuitized payments of the Grand Prize or a share of the Grand Prize may be rounded to facilitate the purchase of an appropriate funding mechanism. Breakage on an annuitized Grand Prize win shall be added to the first payment to the winner or winners. Prizes other than the Grand Prize which, under [OAR 177-085-0025\(4\)\(c\)](#) and [OAR 177-085-0065\(11\)](#), may become single-payment, pari-mutuel prizes, may be rounded down so that prizes can be paid in multiples of whole dollars. Breakage resulting from rounding these prizes shall be carried forward to the prize pool for the next drawing.
- (101) Roll Over of Powerball® Grand Prize: If the Grand Prize is not won in a drawing, the prize money allocated for the Grand Prize shall roll over and be added to the Grand Prize Pool Account for the following drawing.
- (112) Guaranteed Powerball® Prizes:
- (a) The Product Group may offer guaranteed minimum Grand Prize amounts or minimum increases in the Grand Prize amount between drawings or make other changes in the allocation of prize money where the Product Group finds that it would be in the best interest of the game.
 - (b) If a minimum Grand Prize amount or a minimum increase in the Grand prize amount between drawings is offered by the Product Group, then the Grand Prize amount shall be determined as follows:

- (A) All Winners Select Annuity: If there are multiple Grand Prize winners during a single drawing, each selecting the annuitized option prize, then a winner's share of the guaranteed annuitized Grand Prize shall be determined by dividing the guaranteed annuitized Grand Prize by the number of tickets with winning game plays.
 - (B) Mix of Lump Sum and Annuity: If there are multiple Grand Prize winners during a single drawing and at least one of the Grand Prize winners has elected the annuitized option prize, then the MUSL annuity factor shall be utilized to determine the cash pool. The cost of the annuitized prize(s) will be determined at the time the annuity is purchased through a process approved by the MUSL Board.
 - (C) No Winners Select Annuity: If no winner of the Grand Prize during a single drawing has elected the annuitized option prize, then the amount of the cash in the Grand Prize Pool Account shall be an amount equal to the guaranteed annuitized amount divided by the MUSL annuity factor.
- (c) Changes in Allocation of Prizes: Minimum guaranteed prizes or increases may be waived if the alternate funding mechanism set out in [OAR 177-085-0025\(4\)\(c\)](#) becomes necessary. Approval of the Group is required to change the guaranteed minimum Grand Prize amounts or minimum increases in the Grand Prize amount. Effective after the drawing on April 8, 2020, the Group may increase, decrease, or eliminate the guaranteed minimum Grand Prize amount of any announced minimum Grand Prize increases effective at any time following the next drawing following the action taken by the Group.
- (d) Funding of Guaranteed Grand Prizes: If the amount in the Grand Prize Pool Account, Grand Prize Carry Forward Pool Account, and Set Aside Pool Account and contributions from Licensee Lotteries who are not participating in the Prize Reserve Account are insufficient to fund the amount required by awarded Guaranteed Grand Prize(s), then the Prize Reserve Account, and thereafter contributions from individual Member Lotteries and Licensee Lotteries participating in the Prize Reserve Account, may be required to fund Guaranteed Grand Prize award deficiencies. Contributions from the Prize Reserve Account shall first be utilized, and then from individual Member Lotteries and Licensee Lotteries participating in the Prize Reserve Account if necessary. Contributions required from the Prize Reserve Account or from Member Lotteries and Licensee Lotteries participating in the Prize Reserve Account shall be determined on a pro rata basis based on sales since the most recent Grant Prize win.
- (123) One Prize per Board: The holder of a winning ticket may win only one prize per play in connection with the winning numbers drawn, and shall be entitled only to the prize won by those numbers in the highest matching prize category. All liabilities for a Powerball® prize are discharged upon payment of a prize claim
- (134) Claim Expires in One Year: Claims for all prize categories, including the Grand Prize, must be submitted within one year after the date of the drawing.

RULE SUMMARY: The Lottery is amending OAR 177-098-0060 about Mega Millions prize payment. The change says that unless an exception is approved, when a Mega Millions Jackpot Prize is claimed by more than one person, each person must choose the same payment option: cash or annuity. This change aligns with the change to OAR 177-046-0110(5) described in the Notice filed on October 25, 2024, and in this Order that requires that persons who are jointly claiming a jackpot prize must choose the same payment option: cash or annuity.

- (1) **Selection of Payment Type:** Except as provided otherwise in section (2) of this rule, Jackpot Prizes shall be paid, at the election of the player made no later than 60 days after validation of the prize, with either a per winner annuity or single lump sum payment. If the payment election is not made by the player within 60 days after validation, then the prize shall be paid as an annuity prize. The election to take the single lump sum payment may be made at the time of validation of the prize claim or within 60 days thereafter. An election made after validation is final and cannot be revoked, withdrawn or otherwise changed.
- (2) **Multiple Claimants:** Unless an exception is approved, when a Jackpot Prize is claimed jointly under OAR 177-046-0110(5), each claimant must select the same payment type, either single lump sum or annuity.
- (23) **Share of the Jackpot Prize:** Shares of the Jackpot Prize shall be determined by dividing the amount available in the Grand Prize Pool equally among all tickets with winning game plays of the Jackpot Prize in all participating lotteries. The prize money allocated from the current Mega Millions Grand Prize Pool for the Jackpot Prize, plus any previous portions of prize money allocated to the Jackpot Prize category in which no matching tickets were sold will be divided equally among all Jackpot Prize winning tickets in all participating lotteries.
- (34) **Lump Sum Payment:** Jackpot Prize winner(s) who elect a lump sum payment (cash value option) shall be paid their share(s) in a single lump sum payment. The lump sum payment amount shall be determined by the Mega Millions lotteries. The lump sum payment shall be paid upon completion of all internal validation procedures. Prize payments may be rounded down to the nearest \$1,000.
- (45) **Initial and Annual Annuitized Payments:** All annuitized prizes shall be paid in graduated annual payments. The annuity option Jackpot Prize amount will be paid in thirty graduated annual

installments. The initial payment shall be paid upon completion of all internal validation procedures. The subsequent twenty-nine payments shall be paid graduated annually to coincide with the month of the Federal auction date at which the bonds were purchased to fund the annuity, with graduated annual installments defined in the Mega Millions Lotteries' Finance and Operations Procedures. Payments shall escalate by a factor of five percent annually, and annual payments shall be rounded down to the nearest even one thousand dollar increment. All such payments shall be made within seven days of the anniversary of the annual auction date.

- (56) **Jackpot Prizes and Increases:** The Mega Millions lotteries may set a minimum guaranteed annuity Jackpot Prize amount, which shall be advertised by the selling lotteries as the starting guaranteed annuity Jackpot Prize amount.
- (67) **Roll Over of Jackpot Prize:** If in any Mega Millions drawing there are no Mega Millions plays which qualify for the Jackpot Prize category, the portion of the prize fund allocated to such Jackpot Prize category shall remain in the Jackpot Prize category and be added to the amount allocated for the Jackpot Prize category in the next consecutive Mega Millions drawing.
- (78) **Funding the Annuity:** Funds for the initial payment of an annuitized prize or the lump sum prize shall be made available by MUSL for payment by the Party Lottery on a schedule approved by the Product Group. If individual shares of the Grand Prize pool funds held to fund an annuity is less than \$250,000, the Product Group, in its sole discretion, may elect to pay the winners their share of the held in the Grand Prize Pool. Neither MUSL nor the party lotteries shall be responsible or liable for changes in the advertised or estimated annuity prize amount and the actual amount purchased after the prize payment method is actually known to MUSL.
- (89) **Lack of Available Funds:** If necessary, when the due date for the payment of a prize occurs before the receipt of funds in the prize pool trust sufficient to pay the prize, the transfer of funds for the payment of the full lump sum cash amount may be delayed pending receipt of funds from the Party Lotteries or other lotteries participating in the Mega Millions Game. A Party Lottery may elect to make the initial payment from its own funds after validation, with notice to MUSL.
- (910) **Death of Winner:** In the event of the death of a lottery winner during the annuity payment period, unless prohibited by state law, the MUSL Finance & Audit Committee, in its sole discretion excepting a discretionary review by the Product Group, upon the petition of the estate of the lottery winner (the "Estate") or the persons identified on the winner's Beneficiary Designation form (BDF), whichever is applicable, to the state lottery of the state in which the deceased lottery winner purchased the winning ticket, and subject to applicable federal, state, or district laws, may make payment to the Estate or the designated beneficiary of the discounted present value of the remaining annuitized prize payments. If such a determination is made, then securities and/or amounts held to fund the deceased lottery winner's annuitized prize may be distributed to the Estate or the persons on the BDF. The identification of the securities to fund the annuitized prize is at the sole discretion of the Finance & Audit Committee or the Product Group.
- (101) **No Recourse:** If a party lottery purchases or holds the prize payment annuity for a prize won in that jurisdiction, that party lottery's game rules, and any prize payment agreement with the

prize winner, shall indicate that the prize winner has no recourse on MUSL or any other party lottery for payment of that prize.

- (1~~12~~) **Prize Payments:** All prizes are paid through the Lottery that sold the winning ticket(s), and at the discretion of the Selling Lottery may be paid by cash, check, warrant, or electronic transfer. The Lottery may begin paying low-tier prizes after receiving authorization to pay from the MUSL central office.
- (1~~23~~) **Rounding of Prize Payments:** Annuitized payments of the Jackpot Prize or a share of the Jackpot Prize may be rounded to facilitate the purchase of an appropriate funding mechanism. Breakage on an annuitized Jackpot Prize win shall be added to the first payment to the winner or winners. Prizes other than the Jackpot Prize which, under these rules, may become single-payment, pari-mutuel prizes, may be rounded down so that prizes can be paid in multiples of whole dollars. Breakage resulting from rounding these prizes shall be carried forward to the prize pool for the next drawing.
- (1~~34~~) **One Prize per Game Play:** The holder of a winning ticket may win only one prize per game play in connection with the winning numbers drawn, and shall be entitled only to the prize won by those numbers in the highest matching prize category. All liability for a Mega Millions® prize is discharged upon payment of a prize claim.
- (1~~45~~) **Claim Expires in One Year:** Claims for all prize categories, including the Jackpot Prize, shall be submitted within one year after the date of the drawing in accordance with this division, [OAR 177-046-0110](#) and [177-070-0025\(4\)](#).

Definitions

RULE SUMMARY: The Lottery is amending OAR 177-200-0005 about definitions that apply to the terms used in rules in OAR chapter 177, division 200 about Video Lottery games. The change sites to the new definition of "payment device" in OAR 177-046-0015, which is also being amended in this Order to remove the \$20,000 cap on the use of payment device cards to pay prizes. This also aligns with the substantive change being made to OAR 177-046-0110, which allows Lottery to use a payment device card to pay prize amounts over \$20,000 if determined appropriate by the Lottery. The Lottery also updated the statutory authority and statutes implemented section of the rule.

RULE TEXT:

For purposes of division 200, the following definitions apply except as otherwise provided in OAR chapter 177, or unless the context requires otherwise.

- (1) "Cash slip" means the receipt issued by a Video Lottery game terminal for the payment of a player's credits remaining at the end of play or for the payment of a Jackpot Prize.
- (2) "Specialty Game(s)" refers to Video Lottery games, such as the Lottery's Platinum Spin Series games, that offer specially designated prizes in amounts that are higher than the usual prize amounts, including a Jackpot prize.
- (3) "Jackpot Prize" refers to a prize won during Specialty Game play that is greater than \$600.
- (4) "Payment Device" ~~has the meaning given the term in OAR 177-046-0015 means an electronically loaded card or other device loaded with or representing Lottery prize winnings or other dollar amounts of \$20,000 or less, which may include, but is not limited to a debit card, with a corresponding player account.~~

177-200-0012

Ownership of Cash Slips

RULE SUMMARY: The Lottery is amending OAR 177-200-0012 about ownership of Video Lottery cash slips to remove provisions relating to when a prize is owned by more than one person. The deleted provisions are not consistent with changes being made to the multiple claimant process in OAR 177-046-0110. (See changes to OAR 177-046-0110 described in this Order and in the Notice filed on October 25, 2024.)

Additionally, during the public rulemaking process, a question was asked whether the "tenants in common" language is consistent with the new equal share requirement in OAR 177-046-0110. While the language is not necessarily inconsistent, "tenants in common" is outdated language and, therefore, to clarify the rule and ensure consistency with the changes in OAR 177-046-0110, Lottery is clarifying the legal status of joint owners as those who "each hold individual and equal shares of ownership in the cash slip." (For more information, see Lottery's Notice of Proposed Rulemaking filed on October 25, 2024, proposing new requirements that will apply whenever a single prize is claimed jointly by more than one person, and also the changes to OAR 177-046-0110 summarized in this Order.)

The Lottery also updated the statutory references section of the rule.

RULE TEXT:

- (1) General: Except for a cash slip claimed jointly in accordance with the provisions of OAR 177-046-0110(5), until such time as a name of an individual or individuals is imprinted or placed upon a cash slip, a cash slip is a bearer instrument and is owned by the holder of the cash slip.
- (2) Joint Owners: Multiple individuals at least 21 years of age may jointly own and claim payment as owners of a cash slip using the methods described in OAR 177-046-0110(5) for claiming jointly. Multiple individuals each hold independent and equal shares of ownership in the cash slip as tenants in common. ~~Multiple individuals may specify the percentage of ownership each person holds. Each individual must hold \$1.00 of the cash slip value at a minimum.~~
- (3) Owner: When a name is placed upon a cash slip in the designated area, the cash slip ceases to be a bearer instrument. The individual(s) whose name(s) appears in that area on the cash slip is the owner(s) of the cash slip. ~~More than one name may be placed on a cash slip.~~
- (4) Natural Person: Only a natural person who is at least 21 years of age may own a cash slip and claim payment for it.

Statutory/Other Authority: ~~OR~~ Const., Art. XV, § 4(4)(a), ORS 461.120, 461.120, 461.215, 461.217, 461.230 & 461.250

Statutes/Other Implemented: ~~OR~~ Const., Art. XV, § 4(4), ORS 461.120, 461.210, 461.215, 461.217, ~~461.220,~~ 461.230, ~~461.240~~ & 461.250

177-200-0020

Payment of Video Lottery Game Cash Slips

RULE SUMMARY: The Lottery is amending OAR 177-200-0020 about payment of Video Lottery game cash slips. The Lottery is amending the rule to clarify that the identification requirements and the new requirements that apply to the multiple claimant prize claim process being adopted in OAR 177-046-0110 (described in this Order and in the Notice filed on October 25, 2024) also apply to Video Lottery cash slips. The Lottery is also removing an obsolete provision from the rule to avoid confusion and updating the statutory references section of the rule.

RULE TEXT:

- (1) Original Cash Slip: Except as set forth in sections (7) and (8) of this rule, an original cash slip is the only valid receipt for claiming prizes or for redeeming credits remaining on a terminal. A copy of a cash slip has no pecuniary or prize value and does not constitute evidence of a cash slip.

- (2) Retailer Validation Requirements: A retailer shall pay a cash slip only if:
- (a) The cash slip is presented for payment at the retailer location that issued the cash slip.
 - (b) The player to whom the cash slip is payable is 21 years of age or older and authorized to play under these rules and Oregon statutes.
 - (c) The cash slip is presented to the retailer within 28 days of the date it was properly issued.
 - (d) It is intact and legible and meets all the Lottery's security requirements.
 - (e) It is not counterfeit, fraudulent, lacking the correct captions, altered, tampered with in any manner, or obtained from the Lottery or Lottery retailer by any fraudulent means.
 - (f) The information appearing on the cash slip corresponds with the computer record of the cash slip data recorded in the Lottery's central computer system.
 - (g) It has not been previously paid, and
 - (h) It is not a prize that must be validated and paid by the Lottery, such as a Jackpot Prize.
- (3) Retailer Validation Exception: If a cash slip is not intact or legible, the prize or credits that would have otherwise appeared on the cash slip may nevertheless be paid by the retailer as follows:
- (a) Software Validation: Upon notification by a player that a Video Lottery game terminal issued a cash slip that is not intact or legible, the retailer shall obtain a validation number from the terminal. If the retailer is able to obtain a validation number from the terminal that corresponds to the time and amount of the credits claimed by the player, then the retailer shall validate the prize or credits that would otherwise have appeared on the cash slip through the validation terminal and pay the player.
 - (A) Software Validation Report: If the retailer pays the player pursuant to section (3)(a) of this rule, the retailer must complete a Retailer Software Validation Report signed by the player and the retailer. The retailer must retain the report for one month. The retailer must make them available for audit by the Lottery immediately upon request. The retailer must retain and attach the damaged or illegible cash slips to the reports.
 - (B) Validation Number Unavailable: If the retailer is unable to obtain a validation number from the terminal that corresponds to the time and amount of the credits claimed by the player as required by subsection (3)(a), the player may request payment of the cash slip from the Lottery as provided in section (8) of this rule.
 - (b) Jackpot Prize Cash Slip Not Issued, Intact, or Legible: If a cash slip for a Jackpot Prize is not intact or legible, the player and the retailer must complete a Video Problem Report

form, attach the cash slip or all available portions of the cash slip to the form if available, and must submit the form and the cash slip to the Lottery for investigation. The Jackpot Prize may be paid as set forth in section (7) and (8) of this rule.

- (4) Limitation on Retailer Validation and Payment of Cash Slip: A retailer must not attempt to validate, and may not pay, a cash slip for any Jackpot Prize. A retailer shall only validate and pay non-Jackpot Prize cash slips issued by Video Lottery game terminals located on its premises.
- (5) Retailer Payment of Cash Slip: Upon validation of a cash slip as set forth in sections (2) and (3) of this rule, a retailer may pay the amount due. A retailer must not pay a cash slip in tokens, chips, or merchandise, or charge a fee for paying a cash slip or for issuing payment.
 - (a) Dishonored Retailer Check: If a retailer's check is dishonored, the player may seek payment from the Lottery by presenting a copy of the dishonored check using the methods provided in [OAR 177-046-0110\(2\)](#).
 - (b) Possible Contract Termination: A retailer that pays a cash slip with a check that is dishonored may be subject to termination of the Lottery Retailer Contract.
- (6) Lottery Validation and Payment of Cash Slips:
 - (a) Submitting a Claim: The owner of a winning cash slip may submit the cash slip to the Lottery in accordance with the methods described in [OAR 177-046-0110\(3\)](#) for winning tickets or shares. ~~A cash slip may be claimed jointly as described in OAR 177-046-0110(5).~~ The claimant of a prize bears all risk associated with the choice of method to submit a claim, the timeliness of the claim submission and, in the case of submission by mail, delivery service, private express carrier, or secure drop box, failure of the claim to be received by the Lottery.
 - (b) Timing and Deadline for Submitting a Claim: The cash slip must be received by the Lottery within one year from the date the cash slip was issued.
 - (c) Validation and Payment: A cash slip must meet all of the requirements of this rule before Lottery will pay the prize claimed. Upon validation of a cash slip, the Lottery will pay the amount due. A retailer may pay a cash slip of \$1250 or less. Lottery will pay prizes for cash slips as set forth in [OAR 177-046-0110](#) for tickets and shares. The general provisions in [OAR 177-046-0110\(1\)](#) for tickets and shares apply to cash slips.
 - ~~(d) Retroactive Application: It is the Lottery's intent that subsection (6)(a) of this rule apply retroactively to cash slips submitted to the Lottery for payment beginning March 8, 2020.~~
- (7) Lack of Cash Slip or Validation Number: If a player does not have a cash slip, or a retailer was unable to obtain a validation number, the Lottery will conduct an investigation of a claim presented for payment to the Lottery. The investigation will determine the reasons or causes for the failure of the terminal to produce a cash slip or to print an intact and legible cash slip, and why the retailer was unable to obtain a validation number.

- (a) Payment: The Lottery may pay the claim if the Lottery can determine from its investigation that the credit was on the terminal identified by the player at the time claimed, and that no cash slip has been paid on the claim.
 - (b) Signed Statement: The Lottery will not pay any such claim without a signed statement by a player. The player's statement must contain game play information that can be compared to data in the Lottery's central computer system that substantiates that the player won a prize in the amount and at the time claimed, and information from which the Lottery reasonably can determine that the claim has not been paid.
 - (c) Jackpot Prize: The Lottery will not pay the claim for a Jackpot Prize without receipt of a Video Problem Report form as described in section (3)(b) of this rule.
- (8) Lottery Validation Exceptions: If a cash slip cannot be validated because the cash slip data is not recorded on the Lottery's central computer system, the Director may still authorize payment if:
 - (a) The Lottery conducts an investigation of the claim, and
 - (b) The Director concludes that the claimant was an authorized player and that the absence of a record of the cash slip data in the Lottery's central computer system was the result of either a technical problem in the Video Lottery game terminal or a communications problem that prevented the recording of the credits in the Lottery's central computer system.
- (9) Subsequent Claims: If a cash slip improperly paid by a retailer is later submitted for payment to the Lottery, the Lottery may collect the amount of the cash slip from the retailer's EFT account. The Lottery may conduct an investigation to determine if the Lottery properly paid the claim.
- (10) Withholding of Payment: The Lottery may withhold payment of any cash slip claim presented to it until the expiration of the 28-day prize claim period at the retailer's location for prizes payable by the retailer or until the completion of any investigation by the Lottery to determine if payment is proper.
- (11) Power of Attorney: The owner of a cash slip may designate in a written power of attorney an agent to act on the owner's behalf to redeem a cash slip in accordance with the provisions of [OAR 177-046-0110\(7\)](#) for tickets and shares, except that the form of power of attorney to redeem a cash slip must at a minimum: (i) be in written form, (ii) specify the name, address and telephone number of the owner of the ticket or share; (iii) be dated with a date that is later than the date of the cash slip, (iv) specifically identify the cash slip being redeemed, (v) specify the name, address and telephone number of the agent who is authorized to claim the prize for the owner; and (vi) clearly state that the agent may complete a claim form and sign the cash slip, claim form or other documents required to redeem the cash slip in the name of the owner and receive payment of the prize for the owner. The Director, in his or her discretion, may also accept a general power of attorney form for a disabled or incompetent player if the Director determines that the general power of attorney is valid under Oregon law and that payment to the agent of a Lottery prize is within the authority conferred upon the agent under the general power of attorney.
